- ✓ Page 9, line 19, change "Body" to --Both--
- ✓ Page 11, line 15, change "benzoate" to
--phenylacetate--

REMARKS

The foregoing changes are being made to correct obvious errors in the specification of the application as filed herewith. It is evident from Figure 6 and the last full paragraph, page 11 of the specification, that "benzoate" at line 15 should be "phenylacetate".
